

COVID-19 and Food Hygiene

We are working hard to strictly follow the Food Standard Agency to ensure we comply with all necessary procedures to ensure all our staff and products are safe.

We were inspected by Epsom & Ewell borough council in February 2021 and were awarded the highest hygiene standards (5)

We anticipate an inspection in our new Bakehouse and will keep you posted!

As part as our effort to keep our hygiene standards high. Here are some precautions we take:

- ✓ Sanitise our working space regularly before, during and after production.
- ✓ We use anti-bacterial soap.
- ✓ Ready to eat food is handled either with tongs or gloves.
- ✓ We accept card payments only.
- ✓ All items are delivered in closed or covered container.
- ✓ We offer a contactless delivery service.
